Sutter Health Plus
Your Health Plan

Sutter Health Plus, a local not-for-profit HMO, offers affordable health plans that give you access to a network of high-quality health care providers, including many of Sutter Health's affiliated hospitals, doctors and health care services. Here, providers work together with the goal to deliver personalized care when and where you want it.

Affiliated Medical Groups

Sutter Independent Physicians

Sutter Medical Group

When you choose a primary care physician (PCP), you are also choosing the PCP's affiliated medical group. Your PCP refers you, as needed, for specialty care, X-ray, laboratory and other services. Many covered services, including visits to a specialist, require a referral or prior authorization from your medical group. Your PCP will refer you in-network for most services. If services aren't available, your PCP will refer you for out-of-network services and will request authorizations when necessary.
