DIVERSITY POLICIES AND EFFORTS QUESTIONNAIRE

IF ANY QUESTION HAS A “NON-APPLICABLE” ANSWER, PLEASE EXPLAIN WHY.

- (1) Please provide a brief description of the services and functions provided by your department.

The Sacramento County Department of Water Resources provides drainage, flood control, and water supply services to various service areas of unincorporated Sacramento County and the cities of Citrus Heights, Elk Grove, and Rancho Cordova. The department consists of three divisions: Drainage, Water Supply, and Finance & Administration. The Drainage Division provides drainage services to the urbanized and urbanizing portions of unincorporated Sacramento County and to the Cities of Citrus Heights and Rancho Cordova. The Water Supply Division provides water supply services to over 55,000 homes and businesses in the Laguna-Vineyard area of the South County, Mather-Sunrise, Arden Park-Sierra Oaks, Hood, Northgate, and Southwest Tract. The Finance & Administration Division oversees department budget, finance, and personnel processes and administers the financial operations for the County Stormwater Utility Program and Sacramento County Water Agency.

- (2) Please describe your department’s selection and hiring procedures and how they help ensure a workforce representative of Sacramento County. (Include, if applicable, hiring interview procedures & policies; internships; education & training opportunities; training & development assignments, etc.);

The Department complies with the guidelines provided in the Civil Service Rules regarding interviewing and appointment from lists developed through the County Department of Personnel Services. The Department currently provides At-A-Glance training and literature for hiring managers and supervisors. These include: Interviewing and Making a Selection, Documenting Your Selection, Hiring an Intern, Welcoming and Orientating a New Employee, and Conducting Performance Evaluations. Providing this type of training ensures a standard for interviewing, selecting, and evaluating candidates.

- (3) Please describe what recruiting and/or informational events your department has participated in and how they help to ensure a workforce representative of Sacramento County. (Include, if applicable, high school or college job fairs, high school or college programs, church events, or community events.

The Department participates annually in the Sacramento County Career Fair. We bring employees from each of our operating units (Water Supply, Drainage, and Finance & Administration). We also participated in the Roseville Joint Union High School District career fair held at Roseville High School, introducing young graduates to entry-level opportunities within the County and our Department.

- (4) Please describe all websites your department advertises its job vacancies to help ensure a workforce representative of Sacramento County.

The Department complies with the guidelines provided in the Civil Service Rules regarding interviewing and appointment from lists. Examinations that are announced are typically advertised on the County's Employment website, through other local jurisdictions, and industry specific internet and print publications.

Additional advertising has been done through Craigslist, the Sacramento Bee, Brown and Caldwell Engineering, the Association of California Water Agencies (ACWA.com), Baywork.com (job recruiting consortium of water and wastewater utilities in the San Francisco Bay Area), and traditional social media outlets.

- (5) Please describe your department's promotion and career advancement procedures designed to enable all employees to have an equal and fair opportunity to compete for and attain County Promotional opportunities. (Include, if applicable, mentoring, career development activities, etc.)

The Department has collaborated with the County Leadership and Organizational Development Office in presenting the Leadership Development series, and with coordinating training activities for the "Supervisor Academy" and "Facilitation Training" workshops. These training classes are beneficial for promotion and career advancement opportunities.

Additionally, intensive in-house training programs have been developed within the Department for Field/Maintenance Operations units. This training is to provide all in-house promotional candidates with additional experience and skills helpful for promotion within Water Resources and other departments. (Example: 3-day in-house backhoe/heavy equipment training).

- (6) Please describe how the County's Equal Employment Opportunity program objectives are incorporated into your department's strategic and operational priorities.

The Department recommends that all employees attend diversity training. All lead, supervisory and management employees are required to take Sexual Harassment and Discrimination Prevention (AB1825).

- (7) Please describe your department's method to ensure its EEO activities and efforts result in service delivery across all sectors of the community (e.g. systems or processes for communication between County agencies and direct contact with community organizations, etc.)

The Department works to support its employees to provide safe, efficient, and beneficial services to all citizens of Sacramento County as well as communicating information to the general public and participating in discussions with neighborhood groups. The Department has increased its emphasis on using social media outlets such as Facebook and Twitter to communicate information regarding Department services and programs and to ensure that all community members can readily contact us to request services we provide.

(8) For complaints reported in Table 4, if there were any with a finding of *Violation of County Policy*, for each category of complaints (i.e. race, gender, age, etc.) please provide a description of the measures taken to prevent recurrences. Please do not provide specifics regarding the case(s), individual(s) involved, or corrective/disciplinary action taken.

Not Applicable: There were no complaints with a finding of Violation of County Policy for this reporting period.
