EEOAC Teams Meeting Instructions:

The following guidelines will help prepare for the EEOAC Teams Meeting.

Start Early: Log or call in 5 minutes (or so) prior to the start time to avoid everyone entering the conference, all at once at the beginning of the meeting.

Be Prepared: Review Agenda, minutes and materials, in advance, to help keep discussions concise and more effective.

Attend meeting: Computer: click [Join Teams Meeting](#) (OR Phone: call 1-916-245-8966 & when prompted enter ID: 200 159 702#)

Mute Function Use: Locate the mute function on your device (landline phones, press *6 to mute/unmute). Please join the meeting with mute ON. When meeting is called to order, turn mute OFF for roll call & introductions, then back ON again until called on to speak. Members' votes & comments on Agenda items may occur by EEOAC member roll call, followed by the public. When your name is called, turn mute OFF to speak; turn it back ON when done speaking.

Reduce Ambient Noise: Call in from a quiet area as free as possible from background noise and distractions, such as TV or music, household members, pets, etc. Silence any rings or audio alerts on your device.

Don't Multi-task: The sounds of mouse and keyboard clicks, shuffling papers, eating and drinking can be a distraction.

Meeting Document Hyperlinks: PDF's auto-open in a browser, whereas MS Word docs may open a browser and a separate dialog box that you can close that then auto-opens the Word doc.

THANK YOU for your cooperation.
